

COMMON AND SCIENTIFIC NAMES OF TREE SPECIES
MENTIONED IN THE TEXT

<u>Common Name</u>	<u>Scientific Name</u>
Ash, green	<u>Fraxinus pennsylvanica</u>
Ash, white	<u>F. americana</u>
Aspen, bigtooth	<u>Populus grandidentata</u>
Aspen, European	<u>P. tremula</u>
Aspen, quaking	<u>P. tremuloides</u>
Birch, bog	<u>Betula pumila var. glandulifera</u>
Birch, gray	<u>B. populifolia</u>
Birch, paper	<u>B. papyrifera</u>
Birch, river	<u>B. nigra</u>
Birch, yellow	<u>B. alleghaniensis</u>
Basswood, American	<u>Tilia americana</u>
Butternut	<u>Juglans cinerea</u>
Caragana (see Siberian pea shrub)	
Cherry, black	<u>Prunus serotina</u>
Chestnut, American	<u>Castanea dentata</u>
Chestnut, Chinese	<u>C. mollissima</u>
Cottonwood, eastern	<u>Populus deltoides</u>
Douglas-fir	<u>Pseudotsuga menziesii</u>
Elm, American	<u>Ulmus americana</u>
Elm, rock	<u>U. thomasii</u>
Elm, Siberian	<u>U. pumila</u>
Elm, slippery	<u>U. rubra</u>
Fir, balsam	<u>Abies balsamea</u>
Hemlock, western	<u>Tsuga heterophylla</u>
Honeylocust	<u>Gleditsia triacanthos</u>
Larch, Dunkeld	<u>Larix eurolepis</u>
Larch, European	<u>L. decidua</u>
Larch, Japanese	<u>L. leptolepis</u>
Larch, Siberian	<u>L. sibirica</u>
Locust, black	<u>Robinia pseudoacacia</u>
Maple, red	<u>Acer rubrum</u>
Maple, silver	<u>A. saccharinum</u>
Maple, sugar	<u>A. saccharum</u>

Oak, northern red	<u>Quercus rubra</u>
Oak, white	<u>Q. alba</u>
Peashrub, Siberian	<u>Caragana arborescens</u>
Pine, Austrian	<u>Pinus nigra</u>
Pine, Balkan	<u>P. peuce</u>
Pine, eastern white	<u>P. strobus</u>
Pine, Himalayan	<u>P. griffithi</u>
Pine, jack	<u>P. banksiana</u>
Pine, Japanese white	<u>P. parviflora</u>
Pine, Korean	<u>P. koraiensis</u>
Pine, limber	<u>P. flexilis</u>
Pine, loblolly	<u>P. taeda</u>
Pine, lodgepole	<u>P. contorta</u>
Pine, longleaf	<u>P. palustris</u>
Pine, Mexican white	<u>P. ayacahuite</u>
Pine, Norway (see red pine)	
Pine, pitch	<u>P. rigida</u>
Pine, ponderosa	<u>P. ponderosa</u>
Pine, red	<u>P. resinosa</u>
Pine Scotch (Scots)	<u>P. sylvestris</u>
Pine, shortleaf	<u>P. echinata</u>
Pine, slash	<u>P. elliotii</u>
Pine, sonderegger	<u>P. x sondereggeri</u>
Pine, spruce	<u>P. glabra</u>
Pine, Swiss stone	<u>P. cembra</u>
Pine, Virginia	<u>P. virginiana</u>
Pine, western white	<u>P. monticola</u>
Poplar, balsam	<u>Populus balsamifera</u>
Poplar, silver	<u>P. alba</u> , clone silver
Poplar, white	<u>P. alba</u>
Redcedar, eastern	<u>Juniperus virginiana</u>
Redcedar, western	<u>Thuja plicata</u>
Spruce, black	<u>Picea mariana</u>
Spruce, blue	<u>P. pungens</u>
Spruce, Colorado (see blue spruce)	
Spruce, Norway	<u>P. abies</u>
Spruce, Sitka	<u>P. sitchensis</u>
Spruce, white	<u>P. glauca</u>
Walnut, black	<u>Juglans nigra</u>
Willow, black	<u>Salix nigra</u>
Yellow-poplar	<u>Liriodendron tulipifera</u>
