

COMMON AND SCIENTIFIC NAMES OF TREE GENERA

AND SPECIES MENTIONED IN THE TEXT 1/

Common Name

Scientific Name

Ash  
Aspen, bigtooth  
Aspen, Davids European  
Aspen, European  
Aspen, quaking  
Aspen, Siebold's

Fraxinus  
Populus grandidentata  
P. tremula var.  davidiana  
P. tremula  
P. tremuloides  
P. sieboldi

---

1/ Authorities for nomenclature are: Check List of Native and Naturalized Trees of the United States, by Elbert Little, U.S.D.A. Agr. Handb. 41, 1953; and Standardized Plant Names, by Harlan P. Kelsey and William A. Dayton, 1942, Harrisburg, Pa.

Common NameScientific Name

Basswood, American  
Birch, yellow

Tilia americana  
Betula alleghaniensis

Cottonwood

Populus

Douglas-fir

Pseudotsuga menziesii

Eucalyptus

Eucalyptus

Fir

Abies

Hemlock

Tsuga

Junipers

Juniperus

Larch, Dunkeld  
Larch, European  
Larch, Kurile Dahurian  
Larch, Polish

Larix eurolepis  
L. decidua  
L. gmelini var. japonica  
L. decidua var. polonica

Maple  
Maple, sugar

Acer  
A. saccharum

Oak

Quercus

Pine, Austrian  
Pine, Corsican  
Pine, jack  
Pine, red  
Pine, Scotch

Pinus nigra  
P. nigra poiretiana  
P. banksiana  
P. resinosa  
P. sylvestris

Poplar  
Poplar, white

Populus  
P. alba

Spruce, black  
Spruce, Norway  
Spruce, oriental  
Spruce, red  
Spruce, Sakhalin  
Spruce, Serbian  
Spruce, white

Picea mariana  
P. abies  
P. orientalis  
P. rubens  
P. glehni  
P. omorika  
P. glauca
