

FIELD STOPS ON THE PROGRAM OF THE
FIFTH LAKE STATES FOREST TREE IMPROVEMENT
CONFERENCE

The Fifth Lake States Forest Tree Improvement Conference differed from its predecessors in that the major part was spent in the field. During the 2-day meeting, half a day was spent in indoor sessions and 12 days in the field.

Most of the field stops represented tree improvement activities of some of the member agencies in the Lake States Forest Tree Improvement Committee. One or more representatives of the respective agencies acted as tour guides at each stop. In the following pages we give pertinent facts presented by the tour guides.
