

COMMON AND SCIENTIFIC NAMES OF WOODY PLANT GENERA

AND SPECIES MENTIONED IN THE TEXT 1/

<u>Common Name</u>	<u>Scientific Name</u>
Alder	<u>Alnus</u>
Ash, green	<u>Fraxinus pennsylvanica</u>
Ash, European	<u>F. excelsior</u>
Ash, white	<u>F. americana</u>
Apple	<u>Malus communis</u>
Aspen, bigtooth	<u>Populus grandidentata</u>
Aspen, quaking	<u>P. tremuloides</u>
Barberry	<u>Berberis</u>
Basswood	<u>Tilia glabra</u>
Beech, European	<u>Fagus sylvatica</u>
Birch, paper	<u>Betula papyrifera</u>
Birch, bog	<u>B. glandulosa</u>
Cherry	<u>Prunus</u>
Cottonwood	<u>Populus deltoides</u>
Douglas-fir	<u>Pseudotsuga menziesii</u>
Elm, American	<u>Ulmus americana</u>
Fir, balsam	<u>Abies balsamea</u>
Fir, grand	<u>A. grandis</u>
Fir, white	<u>A. concolor</u>
Hackberry	<u>Celtis occidentalis</u>
Hemlock, eastern	<u>Tsuga canadensis</u>
Hazel	<u>Corylus</u>
Larch, European	<u>Larix decidua</u>
Larch, Japanese	<u>L. leptolepis</u>
Larch, Siberian	<u>L. sibirica</u>

---

1/ Authorities for nomenclature are: Check List of Native and Naturalized Trees of the United States, by Elbert Little, U.S.D.A. Agr. Handb. 41, 1953; and Standardized Plant Names, by Harlan P. Kelsey and William A. Dayton, 1942; Harrisburg, Pa.

<u>Common Name</u>	<u>Scientific Name</u>
Maple	<u>Acer</u>
Maple, sugar	<u>Acer saccharum</u>
Maple, bird's-eye	<u>A. saccharum</u>
Oak, English	<u>Quercus robur</u>
Oak, red	<u>Q. rubra</u>
Oak, white	<u>Q. alba</u>
Pear	<u>Pyrus communis</u>
Pine, Austrian	<u>Pinus nigra</u>
Pine, Balkan	<u>P. peuce</u>
Pine, cembran (see Swiss Stone)	
Pine, eastern white	<u>P. strobus</u>
Pine, European black (see Austrian)	
Pine, jack	<u>P. banksiana</u>
Pine, Korean white	<u>P. koraiensis</u>
Pine, limber	<u>P. flexilis</u>
Pine, lodgepole	<u>P. contorta</u>
Pine, mugho	<u>P. mugo</u>
Pine, Norway (see red)	
Pine, ponderosa	<u>P. ponderosa</u>
Pine, red	<u>P. resinosa</u>
Pine, Scotch or Scots	<u>P. sylvestris</u>
Pine, Swiss Stone	<u>P. cembra</u>
Pine, Virginia	<u>P. virginiana</u>
Pine, western white	<u>P. monticola</u>
Poplar	<u>Populus</u>
Poison-ivy	<u>Toxicodendron radicans</u>
Redcedar, eastern	<u>Juniperus virginiana</u>
Spruce, black	<u>Picea mariana</u>
Spruce, blue	<u>P. pungens</u>
Spruce, Norway	<u>P. abies</u>
Spruce, red	<u>P. rubens</u>
Spruce, Rösendahl	<u>P. glauca x mariana</u>
Spruce, Siberian	<u>P. obovata</u>
Spruce, Sitka	<u>P. sitchensis</u>
Tamarack	<u>Larix laricina</u>
Walnut	<u>Juglans</u>
Willow	<u>Salix</u>
Willow, prairie	<u>S. humilis</u>
